

I am in full support of this petition. I agree with numerous others that this is the best answer. I am in favor of keeping the code on the Extra Class license only. I think removing it all together would be a loss, but not making a codeless HF license with VOICE privileges would also be a loss. I feel that everything is changing and Ham Radio must also change and the rulemaking must be pro-active to keep Ham Radio alive. Therefore I ask for quick implementation of this petition.
